THIS PROGRAM WAS DEVELOPED BY THE COLLABORATING EDUCATION COMMITTEES OF THESE TWO ORGANIZATIONS:

Ontario Psychiatry Association (OPA)

The Ontario Psychiatric Association is the provincial voice of Ontario's Psychiatrists. The OPA primarily serves to: Facilitate the exchange of scientific information. Promote the optimal level of professional development and practice. Advocate for the mentally ill and their families. Represent members to governments, universities, and other medical associations. Promote the prevention of mental disorders in the province of Ontario.

To inquire about the OPA, please call (905) 826-6665 or email at opa@bellnet.ca

Ontario Medical Association (OMA) Section on GP-Psychotherapy

The objectives of the Section on GP-Psychotherapy are to serve the GP-Psychotherapists of Ontario and to promote harmony and understanding amongst them and between them and the medical profession at large.

To inquire about the section please contact Dr. David Cree (Chair, OMA Section on GP-Psychotherapy) e-mail at dcree@cogeco.ca
